

ADARSH S

+91-9061448229 | oyadarsh@gmail.com | linkedin.com/in/adarsh-s-031869355 | Kozhikode, Kerala, India

Professional Summary

Motivated MCA graduate with a strong foundation in programming, data structures, computer vision, machine learning, full-stack engineering and DevOps, supported by hands-on internship experience. Focused on reliable, secure and scalable software, continuous learning and effective collaboration.

Technical Skills

Programming & Web: Python, Java, C, JavaScript (ES6+), PHP, SQL, MATLAB, HTML5, CSS3, JSON.

AI / Computer Vision / ML: OpenCV, Dlib, PyTorch, TensorFlow, Keras, CNN, TrOCR, ResNet, Scikit-learn, OCR, NLP, NumPy, SciPy, Pandas, Matplotlib.

Frameworks: Django, Flask, Node.js, React.js, Laravel, Flutter, Android, REST APIs, ReportLab.

Databases / DevOps: MySQL, MongoDB, Docker, Kubernetes, Git, GitHub, GitHub Actions, CI/CD, Linux, Postman.

Security / Emerging Tech: OWASP, Cybersecurity, Blockchain, Smart Contracts, IoT/IIoT, Privacy-by-Default.

Professional Experience

Bluegen Solutions - Software Development Intern | Dec 2025 - Mar 2026 | Kozhikode, Kerala

- Built Django backend modules, REST APIs and secure authentication.
- Designed and optimized normalized MySQL schemas with indexing and constraints.
